

PRIDE IN WESTON

PRIDE IN WESTON:
STALL HOLDERS / CATERERS TERMS
AND CONDITIONS
SATURDAY 1ST & SUNDAY 2ND JULY 2023

- Each stall holder will be issued with 3 wristbands only. These will be provided on arrival at the event from the main gates. Additional wristbands can be purchased at www.prideinweston.com
- Stall holders will have vehicle access to the site for setup during the following times only:
Saturday 1st July 8am – 10am & Sunday 2nd July 8am – 10am. All vehicles must be off the site by 10am.
- Trading Times are 11am – 7pm on Saturday and 11am – 6pm on Sunday, commitment is for the whole weekend, one day trading is unavailable.
- Stalls must be staffed at all times. Traders must provide all their own equipment (Gazebos / Trade stands pegs and weights). Tables and Chairs are available to hire, please add to application if needed for additional cost price.
- Pitches are available in minimal 3m x 3m upwards.
- Vehicles will have limited access to the site as part of the setup and clear down of the event so all preparations must be made by the stall holder to ensure the safe and practical transportation of goods and display items. All vehicles must be removed from the site ahead of the event opening and will not be allowed back on site until all guests have vacated. Parking is not provided and is available in local car parks.
- Stall holders will adhere to the strict pitch allocation sizes as per the application request. All structures / gazebos must be securely pegged and weighted. Pitches will vary between grass and hard standing ground. Traders may only operate from their stalls / pitches.
- If the event is postponed to a new date, bookings will be transferred. In the event of the event being cancelled payment will be transferred to a future booking or a full refund will be issued.

- Stall holders must ensure no glass is given out at the event and waste management is completed safely. All waste must be taken with you from the site at the end of the event, failure to remove all of your waste will incur a penalty charge of £50, invoiced after the event.
- No balloons are allowed to be used on the site in any way.
- No drones are allowed to be used on the site in any way
- Water is not available to access on site. Stall holders must make sure they make adequate arrangements should they need to access water, this also included catering units.
- No electric supply is available to traders.
- All caterers to provide appropriate fire extinguishers/blankets and ensure staff or operatives are competent in their use.
- Gas safety cooking appliances - tanks and hoses - Inspection / gas safety certificate for the appliances and pipe work (copy to be available for inspection). All hose connections made with “crimped” fastenings.
- LPG cylinders - LPG cylinders to be kept outside, secured in the upright position and out of the reach of the general public.
- Petrol generators are **NOT ALLOWED** on site. Diesel, Gas or Renewal generators are permitted, as long as they are safe to use and not accessible by attendees. Appropriate cordons must be in place. No more than 5 litres of fuel allowed onsite, and it must be stored securely and dispensed when generator is cool.
- All Stall holders must have adequate liability insurance, evidence will need to be submitted with your application. Any trader looking to carry out any form of hair or body treatments including face painting must have liability insurance coverage clearly listed on their submitted insurance documents.
- Applications must be returned with **ALL** the required documentation as soon as possible. Any with missing information will not be processed until all documentation is received.
